

RESEARCH AND INNOVATION IN EDUCATION PRIVACY STATEMENT

Information about you: how we use it and with whom we share it

INBIE processes the personal data of our internal and external stakeholders, in order to deliver and improve the opportunities and services we provide in a personalised manner, to ensure each individual receives relevant information and to ensure we use resources in the most efficient and effective way.

The information you provide will be used by the INBIE Foundation to:

- Keep you up to date with news about INBIE and our networks
- Ensure we only communicate with you about events, opportunities, publications or services of interest to you

We are currently using information about you [generally name and surname, University you work for and sometimes e-mail] because you have previously given us consent to be added to our mailing list and added to the research network web page.

Please remember:

- The membership fee remains 0.00 Euros because our interest is to promote our research networks. If you would like to receive a certificate from us, you should give a donation to our foundation and cover the postage cost [in Poland - 5 EUR, outside Poland - 15 EUR].
- The membership can be finished by you [just send an e-mail to research@inbie.pl informing us your decision] or by the Foundations board.
- This is a nonprofit research network and any activity [review – research – publication of reports] must be considered as an »nonprofit service«.
- If you have accepted to be part of the »Coordinators, Board Members or Advisory Boards« remember that it is a nonprofit service.

We will hold the personal data you provided us for only the time you decide to be with us. To withdraw is very easy. Send as an e-mail to research@inbie.pl and we will erase your data from our website. We do not use profiling or automated decision-making processes. A human decision maker will always be involved before any decision is reached in relation to you.

Kind regards

Luis Ochoa Siguencia PhD.
